CREATIVE WORKSHOP USING ADOBE CREATIVE CLOUD

Wednesday, June 7, 14, 21, & 28, 5:00 - 6:00 PM, Computer Lab

The computer lab will be open for individuals interested in self-guided work using Adobe Creative Cloud products. Participants are asked to bring any files or materials needed to work on projects. If you don't have a project or want to learn to use the Adobe software you can access one of the many tutorials available. A librarian will be on hand to trouble shoot questions that may arise or provide guidance when using the software.

NEW! CRAFTING A DIGITAL FAMILY SCRAPBOOK

Saturday, June 10, 17, & 24, 10:00 AM - 12:00 PM, Computer Lab

Join us for a three part class in which you will create a publishable photo album to share with your family. We will be using Adobe Creative Cloud to edit and create pages for your album. If you don't know how to use Photoshop or InDesign do not worry! Part of the classes will be dedicated to showing you the tool and the rest of the class will be a workshop time.

TEEN PROGRAMS

Grades 7-12, held in the Koza Family Teen Center unless otherwise noted.

WE CAN CODE

Saturday, June 3, 10, 17, & 24, 2:00 - 4:00 PM, Computer Lab

We Can Code is a workshop to teach and encourage teens to explore the basics of computer programming and web development in a self-paced environment.
