CLASSES

Space is limited. Registration is required. Register online at www.calendar.icpl.org/categories/classes, by phone at 356-5200, or in person at the Info Desk on the 2nd floor.

CREATIVE WORKSHOP USING ADOBE CREATIVE CLOUD

Wednesday, August 2, 9, 23, & 30, 5:00 - 6:00 PM, Computer Lab

The computer lab will be open for individuals interested in self-guided work using Adobe Creative Cloud products. Participants are asked to bring any files or materials needed to work on projects. If you don't have a project or want to learn to use the Adobe software you can access one of the many tutorials available. A librarian will be on hand to troubleshoot questions that may arise or provide guidance when using the software.

NEW! CRAFTING A DIGITAL FAMILY SCRAPBOOK

Friday, August 4, 11, & 25, 10:00 AM - 12:00 PM, Computer Lab

Join us for a three part class in which you will create a publishable photo album to share with your family. We will be using Adobe Creative Cloud to edit and create pages for your album. If you don't know how to use Photoshop or InDesign do not worry! Part of the classes will be dedicated to showing you the tool and the rest of the class will be workshop time.

ADULT PROGRAMS

LIBRARY-COMMUNITY WRITING CENTER (LCWC)

Tuesday, August 1, 5:00 - 7:00 PM, Computer Lab

Adults and teens: get one-on-one help with writing from University of Iowa writing tutors at the Library-Community Writing Center satellite.

NATIONAL ADVANCED DRIVING SIMULATOR: THE HISTORY AND FUTURE OF AUTOMATED DRIVING

Wednesday, August 2, 7:00 - 8:00 PM, Meeting Room A

Dr. Daniel McGehee, Director of the National Advanced Driving Simulator and Associate Professor in Mechanical & Industrial Engineering at the University of Iowa will discuss the history of automation in vehicles. While the Google car steals many headlines, automated systems have been in production for decades. How these technologies have matured over the years paints an interesting story - one today's drivers can learn from.

TERRARIUM WORKSHOP FOR ADULTS & TEENS

Saturday, August 12, 10:30 - 11:30 AM, Meeting Room D

Ever wanted to build your own world? Are you fascinated by terrariums or succulents? Join ICPL staffers Beth and Mari for a terrarium workshop for teens & adults. We'll supply the containers, the succulents, and the rest of the supplies. All you need is your imagination and the willingness to get a little dirty. **Registration is required and is limited to 24.**

WHAT IS A SOLAR ECLIPSE AND HOW TO WATCH ONE

Monday, August 14, 7:30 - 8:30, Meeting Room A

Brent Studer, Adjunct Professor of Astronomy at Kirkwood Community College, will be here to tell us all about eclipses and get use ready to watch the solar eclipse happening next week.

ADULT AND CHILD CPR

Tuesday, August 15, every half hour from 9:00 AM - 12:00 PM, Meeting Room A

Hands-only CPR, use of an AED (Automated External Defibrillator) and choking response can be learned in as little as 30 minutes. This short workshop, consisting of a video presentation followed by hands-on practice led by Johnson County Ambulance staff, can give you the basic lifesaving skills you need to make a difference in those first few minutes until emergency services arrive. **Each session is limited to 15 people. Registration is required.**

B.Y.O.BOOK - THE HEART IS A LONELY HUNTER @ THE MILL

Tuesday, August 15, 6:00 - 7:00 PM, The Mill (120 E Burlington St.)

This month we will discuss Carson McCullers' *The Heart is a Lonely Hunter*. A limited number of books will be available at the Info Desk on the 2nd floor of The Library for checkout.

STOLEN BASES: WHY AMERICAN GIRLS DON'T PLAY BASEBALL

Tuesday, August 17, 7:00 - 8:00 PM, Meeting Room A

A.J. Richard is the founder of Women Belong in Baseball Facebook group and host of the Attagirl: Women and Girls in Baseball podcast. A.J. will discuss the history of women in baseball, present obstacles, present success, the future of women in baseball, and tell us about Baseball For All, a nonprofit organization that provides meaningful opportunities and instruction in baseball, especially for girls.

SPANISH BOOK CLUB - LAS BESTIAS NEGRAS BY JAIME MESA

Friday, August 18, 6:30 - 8:00 PM, Meeting Room B

The Spanish Book Club will meet in Meeting Room B to discuss *Las bestias negras* by Mexican writer Jaime Mesa. Free and open to the public. Everyone is welcome.

DNA INTEREST GROUP: HIDDEN FAMILY HISTORY REVEALED, PART I

Tuesday, August 22, 6:00 - 8:00 PM, Meeting Room A

The DNA Interest Group is designed to bring together individuals in the Iowa City area interested in learning about the use and interpretation of commercial DNA test results. Meetings will address a variety of different topical areas, including applications in genealogy, inferences of traits, exploration of human genetic variation, and the societal impact of these services. Meetings will also include group discussions, and are free and open to the public.

WONK WEDNESDAY - ENVIRONMENTAL POLICY:

MR. CWIERTNY GOES TO WASHINGTON

Wednesday, August 30, 6:00 - 8:00 PM, Meeting Room A

A wonk is a person who knows a lot about the details of a particular field and often talks a lot about that subject. Wonk Wednesdays - A Public Policy Project is a series of monthly community-focused events sponsored by the UI Public Policy Center and the Iowa City Public Library. Join us this month as Dave Cwiertny, Director of the Public Policy Center Environmental Policy Research Program, talks about his year as a staff member of the House Committee on Energy & Commerce.
